Publish to Access Services

Share your database in a Web browser
You can publish your Access application to a server, so that others can use your application from any standards-compliant Web browser.

[View and edit database properties](#)

Relationships

Define Relationships
Define how the data in tables are related, such as ID fields or name fields in different tables that should match.

Compact & Repair Database

Compact & Repair Database
Help prevent and correct database file problems by using Compact and Repair.

Analyze Database

Analyze Database
View object dependencies and analyze performance and design of this database.

Encrypt with Password

Encrypt with Password
Use a password to restrict access to your database. Files that use the 2007 Microsoft Access file format or later are encrypted.
