

Inspired Web Design

Business Plan

Mission Statement

- Inspired Web Design is committed to providing high-quality Web design services, full support and maintenance of sites, and Web hosting to companies and individuals worldwide.
 - Web design professionals will ensure that Web sites meet the needs of clients, providing the best possible Web presence for them.
 - Support services will include continued oversight, modification, and redesign of client Web sites.
 - Web hosting services will ensure uninterrupted 24/7 Web presence for clients.

The Team

- Your Name (CEO), Margaret Atkins (Financial Manager), Daniel Finch (Web Design), Susan Cummings (Web Support and Web Hosting)
- Team members collectively possess over 28 years' experience in Web design and business management. All have achieved success in business careers and are redirecting their efforts to support Inspired Web Design as full-time employees.
